

2019 Petite Cuvée

Estate

50% CABERNET SAUVIGNON 25% MERLOT 15% CABERNET
FRANC 10% PETIT VERDOT

Select barrels were chosen from across our Estate vineyards to create a distinct and full-bodied Bordeaux blend. On the nose this wine offers notes of bramble fruit, cigar box, cedar, allspice, and graphite. The palate is nuanced and lively with retained acidity. Dark berry fruit mingle with earthy undertones and hints of Okanagan desert herbs. This juicy wine is well balanced and approachable with supple tannins and a lengthy fruit finish - a true expression of the South Okanagan.

The Vineyards

This wine comes from two historic vineyards located on the Black Sage Bench and Golden Mile Bench. Our vineyards on the Black Sage Bench are steeply sloped, and Southwestern-facing, receiving complete exposure to the sun, yet enjoying a more gradual growing season due to its higher elevation, producing richly concentrated and aromatic wines. Our Kobau vineyard on the Golden Mile produces exceptional wines that balance ripeness with fresh acidity. The unique minerality in the wines grown from this vineyard are due to its complex, gravelly soils paired with early morning sunshine and afternoon shade cast by Mount Kobau.

The Vintage

A cooler April in 2019 was quickly followed by warm conditions in May and June resulting in perfectly timed bud break in the vineyards. Summer brought more warmth to the valley but temperatures were average and this allowed the vines to fully develop. Harvest started with warm and dry conditions and the early ripening varieties were harvested on schedule. However, by the end of September, a slight change in weather conditions brought cooler temperatures and small amounts of rainfall to the valley. October was warm and had minimal rainfall allowing for more flavour development and acidity retention in the grapes. Harvest 2019 was challenging and required extremely precise vineyard management, however the result of all that hard work is well balanced wines with vibrant fruit characters and freshness.
