Cabernet Sauvignon PHANTOM CREEK VINEYARD

100% CABERNET SAUVIGNON

This Cabernet Sauvignon offers subtle aromas of coffee and chocolate, along with cassis, blackberry, and plum on the nose. The palate is rich, spicy and elegant, leading to a long finish. Floral notes of rose and violet add to its complexity, and the wine's velvet-like acidity provides a balanced touch. Pairs perfectly with high-quality cuts such as rib-eye.

Phantom Creek Vineyard

Established by pioneering viticulturist Richard Cleave, Phantom Creek Vineyard is located on the lower terrace of the Black Sage Bench just above the warm valley floor. Since the early 2000s, fruit from this property has been used for single vineyard bottlings, a tradition we proudly honour and continue today at the winery

The Vintage

In 2020, the growing season began slowly, with above-average rainfall and mild spring temperatures. From late spring to harvest, the South Okanagan experienced hot and dry conditions, perfect for developing berries and tannins. Harvest concluded before a sudden mid-October cold snap, bringing an abrupt end to the season. Although the harvest volume in 2020 was lower due to small berry size, this led to more concentrated fruit flavors.
